PORT FOLIO.

WORKING EXPERIENCES

Senior Graphic Artist

Worldwide Interior Design Center Corp

Aug. 2025 - present

- Conceptualize and produce layouts for flyers, brochures, and sales kits.
- Create print-ready designs for tarpaulins, street banners, and signage.
- Ensure all visual materials adhere to company brand guidelines and aesthetic standards.
- Oversee the design process from initial sketch to final print delivery.

Senior Graphic Artist

RedHorse Marketing, LLC

Oct. 2018 - Oct. 2023

- Collaborated with business partners to brainstorm, ideate, and produce engaging, on-brand content for Amazon, Etsy, and Shopify.
- Produced high-quality promotional videos specifically for product listings.
- Managed the creation and customization of unique products based on specific client requests.

Graphic Artist

Duext, LLC

Apr. 2018 - Oct. 2018

- Led the design, development, and implementation of graphic layouts and production communication materials for clients.
- Specialized in creating and designing evacuation plans, professional signage, and backdrafts.

Junior Graphic Artist

MSY Holdings Corp.

2012 - 2018

- Developed and advertised the company's brand identity across all marketing collateral.
- Created various marketing materials including business cards, brochures, flyers, and advertisements.

Attractive styling provides improved visibility and serviceability

3R Open-Operator Station Tractor

The bold styling of the tractor provides an attractive and functional appearance similar to that of the larger agricultural tractors.

Powerful Yanmar® diesel engine delivers plenty of power under heavy loads

The Yanmar 3-cylinder, TNV series diesel engine features a high torque reserve that provides plenty of power under heavy loads.

This engine features lower levels of exhaust emissions and reduced noise levels. The engine meets all current Environmental Protection Agency (EPA) emission requirements for Final Tier 4 emission standards.

Operator station is comfortable & convenient

The operator's station is designed for easy entry to/exit from the tractor.

Conveniently placed pedals, as well as repositioned operator controls, provide for a clean and flat platform design, giving the operator plenty of legroom.
